IN REPLY PLEASE
REFER TO FILE: **C-1**

December 5, 2002

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**ADOPT AND ADVERTISE
GENERAL WILLIAM J. FOX AIRFIELD
APRON PAVEMENT REHABILITATION
SUPERVISORIAL DISTRICT 5
3 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the project and adopt the plans and specifications for General William J. Fox Airfield Apron Pavement Rehabilitation, in the City of Lancaster (5), at an estimated cost between \$1,000,000 and \$1,200,000.
2. Call for bids to be received on January 21, 2003.
3. Instruct the Executive Officer of the Board of Supervisors to advertise the project and to seal and return the plans and specifications to Public Works for filing.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

This action involves contracting for the reconstruction and resurfacing of the apron and taxiway pavement, the construction of concrete hard stands and aircraft tie downs, the installation of runway and taxiway pavement markings, and the sealing of an access road.

This project is part of the General William J. Fox Airfield Master Plan Update which your Board approved on July 30, 1996.

Implementation of Strategic Plan Goals

This project is consistent with the County Strategic Plan Goal of Service Excellence since it will allow larger aircrafts to use the airport.

FISCAL IMPACT/FINANCING

The estimated construction cost is in the range of \$1,000,000 to \$1,200,000.

This project will be administered under the Federal Aviation Administration's Airport Improvement Program. Under this program, this project is eligible for 90 percent of the cost to be federally funded. This project is included in the Fiscal Year 2002-03 Aviation Capital Projects Fund Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The enclosed plans and specifications include the contractual provisions, methods, and material requirements necessary for this project. The contract agreement will be in the form previously approved by County Counsel.

As required by your Board, language has been incorporated into the project specifications stating that the contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws.

ENVIRONMENTAL DOCUMENTATION

On July 30, 1996, your Board approved the Final Environmental Impact Report for the Master Plan Update for General William J. Fox Airfield. An element of the Master Plan includes this project.

CONTRACTING PROCESS

This project will be contracted on an open competitive bid basis. The contract will be awarded to the lowest responsible bidder meeting the criteria established by your Board and the California Public Contract Code.

To increase contractor awareness of our program to contract work to the private sector, this project will be listed on the County website for upcoming bids.

The project specifications contain provisions 1) requiring the contractor to comply with the County's Child Support Compliance Program, 2) requiring the contractor to report solicitations of improper consideration by County employees and allowing the County to terminate the contract if it is found that the contractor offered or gave improper consideration to County employees, and 3) requiring the contractor to comply with the requirements of the Contractor Employee Jury Service Program.

The project specifications also contain a provision that, should the contractor require additional or replacement personnel to fill employment openings, consideration shall be given to hiring qualified participants in the County's Greater Avenues for Independence (GAIN) Program.

The FAA requires the use of small minority and women-owned businesses on federally funded airport projects. Companies meeting these requirements are certified by the State as Disadvantaged Business Enterprises (DBEs). To be eligible for award of this contract, bidders must subcontract at least 15 percent of the work to DBEs or demonstrate a good faith effort to meet this goal.

To ensure that the contract is awarded to a responsible contractor with a satisfactory history of performance, bidders are required to report violations of the False Claims Act, their civil litigation history, and information regarding prior criminal convictions. The information reported will be considered before making a recommendation to award.

The Honorable Board of Supervisors
December 5, 2002
Page 4

IMPACT ON CURRENT SERVICES

The project is to be completed in 80 working days. It is estimated that the work will start in April and be completed in August 2003. Airport tenants will be informed that access to certain portions of the airport will be disrupted during the construction.

CONCLUSION

Please return one approved copy of this letter to Public Works.

Respectfully submitted,

JAMES A. NOYES
Director of Public Works

GENERAL WILLIAM J. FOX AIRFIELD
APRON PAVEMENT REHABILITATION
INSTRUCTION SHEET FOR PUBLISHING LEGAL ADVERTISEMENT

From: Department of Public Works
Construction Division

PUBLISHING

In accordance with Section 20392 of the Public Contract Code:

Publish: At least ten consecutive times, prior to the date set for opening bids, in a daily newspaper of general circulation printed and published in the County and designated by the Board, or for at least two consecutive times prior to such date in a weekly newspaper printed and published in the County and designated by the Board.

Time Limitation: To open bids in five weeks.

(First advertisement to be published no later than December 21, 2002)

NOTICE INVITING BIDS

Sealed Bids will be received by the County of Los Angeles Department of Public Works for the reconstruction and resurfacing of apron and taxiway pavement, the construction of the concrete hard stands and aircraft tie downs, the installation of the runway and taxiway pavement markings, and the construction of an asphalt rubber aggregate membrane and rubberized emulsion-aggregate slurry seal on an access road under Project ID No. APT4088895, General William J. Fox Airfield Apron Pavement Rehabilitation in the City of Lancaster.

The Bids must be submitted at the Cashier's Office, west side of main lobby, 900 South Fremont Avenue, Alhambra, California 91803-1331, before 11 a.m. on Tuesday, January 21, 2003. The Bids will then be publicly opened and read in Conference Room A or at the location posted in the main lobby.

The Work shall be done in accordance with the Plans and Specifications on file and open for inspection at the County Board of Supervisors Executive Office and the Department of Public Works. The Work is estimated to cost between \$1,000,000 and \$1,200,000 and shall be completed in 80 working days. The Work requires a California Class A or C12 contractor's license. Prebid questions regarding the Plans and Specifications should be directed to Ms. Christine Quirk at (626) 458-3199.

A mandatory Prebid meeting for this project will be held on Thursday, January 9, 2003, at 9 a.m. at the project site located at 4555 West Avenue G, Lancaster, California 93536. The Reference Thomas Guide Page is 3924-H7. Attendance at this meeting is mandatory for award of the contract.

The Bids must be submitted on the Proposal forms included in the Bidder's package of the Contract Documents, which may be purchased for \$60, including postage and handling if mailed, at the aforementioned Cashier's Office, (626) 458-6959, Monday through Thursday between 7 a.m. and 5:30 p.m. or at the Department of Public Works Permit Office, 38126 Sierra Highway, Palmdale, California 93550, (661) 947-4151, Monday through Friday between 7:30 a.m. and 4 p.m.

Each Bid must be accompanied by a certified check, cashier's check, or surety bond payable to Los Angeles County in an amount equal to at least 10 percent of the Bid to guarantee that the Bidder will enter into the Contract if it is awarded to him.

All persons performing the work shall be paid not less than the General Prevailing Wage Determination made by the Director of Industrial Relations pursuant to the California Labor Code. Copies of these wage rates are available at the Department of Public Works. Furthermore, minimum wage rates for this Project as predetermined by the Secretary of Labor (Federal) are set forth in the Special Provisions.

If there is a difference between the minimum wage rates predetermined by the Secretary of Labor and the applicable prevailing wage rates per the Director of Industrial Relations for similar classifications of labor, the Contractor and its subcontractors shall pay not less than the higher wage rate.

The rate of compensation for any classification not listed in the schedule, but which may be required to execute the Contract, shall be commensurate and in accordance with the rates specified for similar or comparable classifications or for those performing similar or comparable duties.

THIS FEDERAL AID PROJECT HAS A GOAL OF 15 PERCENT DISADVANTAGED BUSINESS ENTERPRISE PARTICIPATION.

The County hereby notifies all Bidders that it will affirmatively ensure that minority business enterprises will be afforded full opportunity to submit Bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award of any contract entered into pursuant to this advertisement.

The proposed Contract is under and subject to Executive Order 11246, as amended, of September 24, 1965, and to the Equal Employment Opportunity (EEO), and Federal Labor Provisions.

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE
EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246)

The goals for minority and female participation, expressed in percentage terms for the Contractor's aggregate workforce in each trade on all construction work in the covered area, are as follows:

Goals for Minority Participation in Each Trade 28.3%	Goals for Female Participation in Each Trade 6.9%
---	--

These goals are applicable to all the Contractor's construction work (whether or not it is Federal or Federally assisted) performed in the covered area. A contractor having 50 or more employees and his subcontractors who have 50 or more employees and who may be awarded a contract of \$50,000 or more will be required to maintain an affirmative action program, the standards for which are contained in the Specifications.

To be eligible for award of the Contract, each Bidder must comply with the affirmative action requirements which are contained in the Specifications.

Women will be afforded equal opportunity in all areas of employment; however, the employment of women shall not diminish the standards or requirements for the employment of minorities.

The Contractor's compliance with the Executive Order and the regulations in 41 CFR, Part 0-4, shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required by the specifications set forth in 41 CFR, Part 60-4.3(a), and its efforts to meet the goals. The hours of minority and female employment and training must be substantially uniform throughout the length of the Contract, and in each trade, and the Contractor shall make a good faith effort to employ minorities and females evenly on each of its projects. The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the Contractor's goals shall be a violation of the Contract, the Executive Order, and the regulations in 41 CFR, Part 60-4. Compliance with the goals will be measured against the total work hours performed.

The Contractor shall provide written notification to the Director of the Office of Federal Contract Compliance Programs within ten working days of award of any construction subcontract in excess of \$10,000 at any tier for construction work under the Contract resulting from this solicitation. The notification shall list the name, address, and telephone number of the subcontractor; employer identification number of the subcontractor; estimated dollar amount of the subcontract; estimated starting and completion dates of the subcontract; and the geographical area in which the Contract is to be performed.

As used in this Notice, and in the Contract resulting from this solicitation, the "covered area" is the County of Los Angeles.

The EEO requirements, labor provisions, and wage rates are included in the Contract Documents and are available for inspection at the County of Los Angeles Department of Public Works.

Each Bidder must complete, sign, and submit the "Certification of Nonsegregated Facilities," a statement entitled "Bidders Statement on Previous Contracts Subject to the EEO Clause", and "Assurance of Minority Business Enterprise Participation" on the forms contained in the Proposal.

The Bid must provide full disclosure of False Claims Act violations and civil/criminal legal actions as provided for on the three forms included as part of the Proposal. Failure to complete these forms may result in a determination that the Bidder is nonresponsive and/or not responsible.

The Contract, if awarded, will be awarded to the lowest responsive and responsible Bidder; however, the Board of Supervisors reserves the right to reject any and all Bids.

A responsible Bidder is a Bidder who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity, and experience to satisfactorily perform the Contract. It is the County's policy to conduct business only with responsible contractors.

The successful Bidder will be required to submit a faithful performance bond, payment bond, worker's compensation insurance, and liability insurance with the Contract.

As provided for in Section 22300 of the California Public Contract Code, the Contractor may substitute securities for any monies withheld by the Department of Public Works to ensure performance under the Contract or enter into an escrow agreement for payment of such monies to an escrow agent.

Each person by submitting a response to this Notice Inviting Bids certifies that such Bidder and each County lobbyist and County lobbying firm, as defined by Los Angeles County Code Section 2.160.010, retained by the Bidder, is in full compliance with Chapter 2.160 of the Los Angeles County Code.

Para mas informacion con relacion a esta noticia, por favor llame a este numero (626) 458-3118. Nuestras horas de oficina son de 7 a.m. a 5:30 p.m. de Lunes a Jueves.

The County supports and encourages equal opportunity contracting.

By order of the Board of Supervisors of the County of Los Angeles, State of California.

Dated December 17, 2002.

Violet Varona-Lukens
Executive Officer
of the Board of Supervisors
